

Work@50+: AARP Career Tools and Online Resources

Over 50 and looking for work? Planning for your next career? Assessing whether self-employment is for you? Perhaps it's time to review AARP's resources designed for the mature worker.

From tips on writing cover letters and resumes to assessing your talents and skills, AARP has a variety of materials – absolutely free – that can help. In addition to job tips, check out the Webinars covering hot topics such as Networking 2010, which includes using social media successfully; navigating your way through job loss; and applying for a federal job. (Yes, the federal government IS hiring.)

Find out for yourself how AARP's resources for the 50+ worker can help you succeed!
